Hope you do, lost all my bytes getting this dicey award. But totally worth it.

Sacrificed all those precious bytes for a pixel. Luckily the bytes are temporary and the award is forever lol.

Still the bytes don't mean anything either to me

I'm using my phone and can't see the requirements properly. What does it take in order to get the dice award?

Oh shit, I'm retarded.

Good job on the award, and thanks for telling me. I'd have probably bought bytes and nailed the slot machine before I realised I already had it.

I kinda like the Ninja award, so I am trying for that one, but still on 20% and the HackGame award, but that will take a lot of time

Gonna get you on my daily list for the check-in reminder for your Ninja award. Hack Game seems will take you a year or more it depends on the grind you put into it ?
