Thread: [What are the requirements to post a marketplace thread?](#)

Gambit69 - May 23, 2023, 1:31 pm

Hey Guys,

im new to this Forum and i own a Proxy Service!

I was looking to create an Marketplace Thread here but i dont know what requirements do i have to meet in order to create one!

Hoping to get answers here!

thanks in advance ?

Need to be upgraded to use marketplace. <https://hackforums.net/upgrade.php>

L33t should work.

Yeah just upgraded.

Just waiting for the 2 blockchain confirmations ?

Nice, congrats. If you want to take that upgrade further I suggest upgrading when ub3r goes on permanent sale. Sometimes it does. ?

Greetings! It's a pleasure to encounter a new member on L33T.

I wish you the best of luck as you embark on your upcoming business endeavors within the forum.

I think you need to upgrade

You need to upgrade to use certain sections and functions of the Marketplace.

You can learn more on the upgrades page, or alternatively... We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.
