Thread: [What is the best method for jailbreak iphone 4s \(ios 9\)](#)

Minerva_Origin - May 24, 2023, 6:13 pm

What is the best method for jailbreak iphone 4s (ios 9)?

Is Cydia active any more?

Some methods out there are grabbing Apple ID during jailbreak.

Because of that act i lost my Apple ID totaly.

I need a safe method for jailbreak my iphone and test it in new area.

Thanks for the attention
