Thread: [Dating Apps Traffic for OnlyFans](#)

beetlebug - May 25, 2023, 12:59 am

Need quality traffic from [BRAND NAME REMOVED], Bumble, and possibly other apps for OnlyFans

I will generate a tracking link and you'll deliver traffic to that link so we can track what amount of subscribers have you brought to the OF pages

Payment: cost per fan / percentage of subscription price
[contract=tid]Start Contract[/contract]

If we can work out a sweet deal for us both, I can definitely bring in traffic from dating sites.
