I voted thot son, but with this question, I'm not overly arsed either way.

I don't care if my son racks up a bodycount of 100.

Gay daughter, easy. Best option to not have any mistakes most people call grandchildren. It's bad enough I already have her.

DashPHP - May 28, 2023, 12:56 pm

thot son. He will have confidence in speaking to women. I will tame him well to never abuse.

I think I can deal with a gay daughter easier than a thot son. I think I could relate more to women and at the same time be an awesome parent. My son can be gay tho too I just don't want my child to be an extremist if any kind. I will guide them to an open mind like mine :)

Pootje - May 29, 2023, 7:59 am

If this is the case, I don't have children.
