Thread: [How to get payment methods for E-Whoring](#)

goregasmic - May 31, 2023, 7:31 am

Hi guys, i need safe anonymous PayPal,BTC and CashApp accounts, all that in the same girl's name so i can use them for e-whoring, could please some pro give me some so much needed advice on how to obtain these? Idk if i should go register new ones or buy used... or whats the usual practice even.

I would prefer PMs but you can reply here too.
Thanks for any useful tips!

Paypal Europe asks for verification after some amount and also can ban your account if you are getting lot of small payments from different guys in the same new account... but you will need to deal with it. BTC is easy as hell so no explanation needed.

I never used CashApp myself. I think they can ask for SSN buy maybe you can use it without verification (not sure).

Also maybe you can use gift cards. Very easy.
