Contests are supposed to be about the contestants not the host. I'd rather just see the News get publicized and members earn cash rather than boost profile stats anytime I do a giveaway.

Congratulations! [Pablo?](#) you are the winner of the August contest!

Stanley - August 31, 2023, 9:15 pm

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page

and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Taking a chance here and throwing my hat in the ring! I'm eager to participate in the contest but I'm not sure if it's open to non-upgraded members. Can you please clarify if I'm eligible to enter?
