I came across this hope it's much help to you all. Personally I only kept .Gmail checked
This makes the emails like "castiel.vinc.e.nt3.6.9@gmail.com".

Thanks. Very helpful. Always need a good temp mail.

StuffSneak - June 1, 2023, 9:45 pm

This looks cool. Thanks. I kinda tested both with a test mail from my personal email but for both services, the mail didn't show up.

Maybe because I'm on phone but yeah.

SIM-5360240 - June 2, 2023, 3:11 am

Paid the bytes looks interesting thanks for share
