The Mail Boss - June 3, 2023, 10:22 am

ALL SMTPS ARE THOROUGHLY TESTED BEFORE SENDING TO ENSURE HIGH INBOX RATE.
My SMTP's all have 25 IPs attached for best results.

If you would like a test email to prove inbox capabilities then please feel free to message me!

SMTP with 250,000 monthly limit - \$60

SMTP with 500,000 monthly limit - \$80

SMTP with UNLIMITED monthly limit- \$140

1. All sales must have a contract.
2. You will only be eligible for a refund if your SMTP has NOT been used.
3. In order to get a free replacement, you must not have used your limit.
4. Free replacements are only available within one month of purchase.

Good luck, will test it out

The Mail Boss - June 4, 2023, 10:31 am

Hi all,

Prices have been lowered for the time being.
Get your inbox SMTP now while they're cheap.

All purchases come with one month of replacements if your smtp goes bad.

Do you have mailing software or panel, or just smtp?. Can you recommend one that works with your services well and can be used for mass spamming?

I have mailer software.

Currently have an offer on - if you purchase unlimited SMTP package, you will get one month of my mailer for free.

shootie1874 - June 9, 2023, 7:09 am

Bought SMTP with 250,000 monthly limit - \$60 package never received a working smtp that can deliver 250,000 will report if he delivers.

I sent you 3 smtp, all working good.

Try another mailer and you will see.
