There you go. Looks pretty easy.

Okay here goes:I bought a cell phone I let my roommate use it he changed the pin and now he's acting like he doesn't know what happened. The cell phone cost me \$1,500.

I need to get into this or I just wasted my wife's money on a paperweight that I could get more time for.

You're either a troll or exceptionally stupid. That's a \$50 phone. Get your money back from whoever scammed you.

In prison they cost between \$1,000 and \$2,5000

I figured it out. Thank you. But to answer your question: it is mine. I'm in prison and we have to buy whatever they'll bring in.
