Thread: [Steam Game Contest: Anomaly Warzone Earth | Good Will Monday | 3 Winners](#)

Piplup - June 5, 2023, 7:45 pm

I found I had 3 extra copies of Anomaly: Warzone Earth (steam keys). In celebration of good will monday, I've decided to give them away.

To enter, share the nicest thing someone has done for you so far this month (June 2023). Winners will be chosen randomly from the eligible entries. Each winner will receive one steam key for Anomaly Warzone Earth.

Contest closes on Friday, June 9, or when I remember to close the thread -- whichever comes later.

Thanks for hosting, good luck y'all.

Would like to enter. Nicest thing someone did was words of encouragement, also asking about how I was and a compliment.

Thank you.

What a great Good Will Monday. Thanks for hosting.

Well, today we got a surprise package from one of our dear friend from Washington. One cool blessing for this month of June.

Two days left to enter. I'm not participating in my own contest, naturally, but I just wanted to share that my boss decided to present me as a senior engineer to a big customer. He put a lot of faith in me and I thought that was very "good will" of him.

Love seeing all the good things in your lives so far
