Thread: [\[WTS\] OSRS 106 cmb starter main](#)

iZan - June 17, 2023, 9:51 am

Greetings, I am looking to sell my personal starter main that I haven't touched in years. When ironman mode came out, I made a new account and have been playing that since. This account is not the best in the world, but it would be nice as a little starter main. It has never been bottled on, I have the original email, and is a username to login account (not sure if that even matters anymore due to the Jagex Launcher).

I am looking to get \$45 USD for it.
Payment thru CashApp, Chime, Venmo, or BTC.

Here are some of the noteworthy things:

1500 total
Bgloves (RFD Completed)
Fire cape
Melee/Range Void
Dragon Defender
Slayer Ring unlock (+75 crafting for it)
85/156 quests completed
Fighter Torso
