For the past week, I was inquiring about his DFY package and he was replying to me every single day.

After I made payment, he immediately goes missing for days up till now.

I did not use a MM because I purchased his services before without MM at almost the same price point with the current one , he fully delivered the previous service.

Now here I am, trusting him and getting this other service yet I didn't know he would be ready to exit scam for this same amount.

In fact, you never know when someone would exit scam.

He is still uncontactable as of today.

If anyone here knows him and can contact him, I would be grateful.

LEGENDAVIE - June 18, 2023, 7:58 pm

I had an experience with one person here that I paid a good amount of money for coding services and everything went great for a while, until he literally exit scammed for an amount that wasn't even worth, and think that he was offering an actual service not selling something, he would've made tons of more money by just keeping a good service for longer time.

You never know what makes these people act like that, hopefully your case is just a misunderstanding and you receive what you paid for, that's a sum I would personally never pay without MM involved.

simtastic1 - June 18, 2023, 10:06 pm

Are you the second victim? Feel like I have seen two disputes with this SAME option.

SIM-5367118 - June 19, 2023, 3:26 am

I hope this gets resolved quickly! There's no way I wouldn't use a middleman for that kind of money even if you did business before.

source - June 19, 2023, 7:17 am

That's a good amount of cash spent, hope to see this get resolved.

Navos - June 19, 2023, 4:38 pm

Still no response from him.

Is anyone else in contact with him and can reach him?

It's hard to believe as a seller who has delivered countless services before, he would choose to exit scam this time and destroy the name he has built for himself here in 3 years.

Could it be drugs?304s?Gambling addiction?

StuffSneak - June 19, 2023, 11:41 pm

He was last seen on HF 5 days ago. Maybe has some issues and hasn't been online.
How much was the amount?

StuffSneak - June 20, 2023, 12:52 pm

(Jun 20, 2023 12:42 PM)-Scrub Wrote: [\[CITE\]](#) The contract says \$3k and then if it's successful an additional \$3k unless I'm reading that incorrectly.

Wow. ?

That's a lot of money to be trusting blindly. But I also get the point they had dealt with such amounts before.

Hopefully this is resolved soon.

BiNBo - June 20, 2023, 12:54 pm

Definitely an amount I could see someone exit scamming for, I had a 10+ year member exit scam me last month for legit \$100 which is just sad. That being said, he's a 3-year member and a vendor at that. Given that he seemed to just vanish while in contact with you, it's possible that something unforeseeable happened and he's unable to respond due to whatever the circumstances may be (hospitalized, house burned down, etc.) Hopefully he can get back on ASAP and get this resolved. However, I would be prepared for the worst case scenario that he never returns and his account gets closed for scamming (which is what ended up happening to me).

Navos - June 20, 2023, 4:32 pm

I have done business with him a few times, each time he delivered fully. All without MM.
This time it's a betrayal of trust that happened when you least expect it.

While it does seem like something might have happened to him IRL, it's hard to believe that.

Because he was online every single day while I was inquiring about this current service.
Then exactly on the day I sent payment, he immediately goes missing.

I still want to have some faith in him that he would deliver this service as he used to
Anyone who can somehow get hold of him to come online to resolve this dispute, I will pay you \$200 in BTC for your troubles.

If you have other ways of contacting him other than the above, by all means.

If he had exited scamming an offer like this would just put you vulnerable to him taking more money. He always seemed to put a lot of effort into his work here so hopefully he won't exit scam.

xPlutus - June 22, 2023, 6:45 am

I've dealt with him twice accounting over \$4k in Funds. (With and without contracts/never using a middleman)

I have to say that his support is horrible on telegram

Nonetheless, he did provide me with support, just sometimes it took several days for him to respond.

Probably just a busy guy. He makes well over 5 figures a month so scamming for this amount wouldn't make sense, at least to me it doesn't.

Hope this will get resolved.

Navos - June 23, 2023, 5:36 am

It's been a week+ of no response from him, I don't think this is going anywhere.

On HF, he hasn't had much sales going on since last year Q4 till now.

I think it's enough motive for him to squeeze one last drop out of HF before exiting for good on HF.

Not in this situation, 3k is not a small amount for most people

Navos - June 30, 2023, 10:38 am

Ironically, he's still active on Telegram.

For people who haven't accessed Telegram for more than 3 days, it would show "Last seen within a week"

His TG status says "Last seen recently", which means he has been logging on at least every alternate day. Yet he has still not replied me.

He has made his decision.

He's not coming back here.

He last signed in HF 15 hours ago. \$3000 Transaction was almost 15 days ago, never delivered and went ghost soon as he got the money? Terrible. Sorry you are going through this OP. Clearly a scam at this point.

Sholi - July 2, 2023, 3:34 pm

I'm sorry OP but I think it's a RIP case. He was last seen 21 hours ago. People with better accounts have run off with less money, much less.

Pentatonix - July 2, 2023, 4:13 pm

At this point, I'm sure [Omniscient](#) will take a look at this and give him a deadline before closure of his account.

Navos - July 3, 2023, 6:20 am

It's just odd that he feels that \$3k is a comfortable amount for him to exit and undo all the effort (You can see his threads and website) that he has committed for the past 3 years.

Hardly any seller put in as much effort as him in promoting and marketing. He was dedicated.

His old course albeit outdated now, was pretty decent at it's time.

It's tragic to see that this guy has gone full monke.

Either drugs or gambling to want to gobble up this \$3k.

If anyone knows where else he has an account/profile that is still promoting his services, please post it here to warn everyone.

You're right, just looking at the way he has been running this course with all the stickies/advertising + price point(s) that he was selling it at, it's hard to see someone ruin that momentum. But that's just what it was, a momentum which seems to have run its course now. I mean last update he made to it was more than a month ago so that's a clear sign he was abandoning it, at least on HF.

Money-wise, like you said, you never know. Unwise spending and/or certain addictions can be just enough to have someone broke by the end of each month, no matter how much they earn.

I feel bad for you OP, and this is truly one of those situations where you were just unlucky. Based on your trading experience with this guy, he shouldn't have done this; and once you build that kind of trust with someone, it's not easy to see it crumble on a certain trade. I hope you build back up from this, and even learn a thing or two from it.

Navos - July 6, 2023, 5:43 am

He came online again 1 day after my last message here.

Yet ignores this dispute.

I wonder what's he coming online here for?

Hopefully it's not to answer queries from interested clients here who are oblivious to this deal dispute.

I feel it's time for admins to intervene, maybe try contacting him and find out what's wrong and if he doesn't respond, close his account to prevent the emergence of new victims.

Sorry that you're going through this.

Hopefully [Omniscient](#) can take a look as it seems he's been online twice since this dispute and chosen to ignore it.

Omniscient - July 7, 2023, 9:37 am

Well he'll be closed if he doesn't deal with this asap.

I'm sending him a PM.

Nope, he didn't.

No convo no PM.

I'm sending him a PM.

I'm wondering if he replied to your PM.

I'm pretty sure he gobbled up and digested the \$3k nicely, totally disregarding this dispute.

Navos - July 14, 2023, 7:11 am

To: [Omniscient](#)

[WebcamRiches_com](#) came back online again for the 4th time, just 15 hours ago.

He did not contact me at all. I believe he has no intention to resolve this dispute.

Navos - July 20, 2023, 4:42 am

WebcamRiches came online 22 hours ago.

I still did not receive any response from him.

I suggest we get his account closed.

\$3k is not a small amount.

He has exited 100%

Envy - July 24, 2023, 10:46 am

Over two weeks since you posted on this dispute [Omniscient](#)

Please at the least give [Navos](#) the satisfaction of an account closure.

Omniscient - July 24, 2023, 12:16 pm

He's now banned. If he doesn't contact me to deal with this he will be closed.
