SPECIAL OFFER

NEXT 5 ACCOUNTS PURCHASED WILL COME WITH A FREE EA TO USE ON YOUR NEW FUNDED ACCOUNT

Hey!

Always wanted to get a funded forex trading account, but keep failing the challenges? Say no more, i can pass your prop firm challenge, 100% guaranteed or your money back. Most prop firms can be completed in 1 day, the only exceptions are firms that have a minimum trading day rule.

The current prop firms i can currently guarantee a pass with are:

- Nova Funding
- Next Step Funded
- LimitlessProp

The prices vary for each prop firm and each account size that you would like passed and you will be required to purchase the challenge for yourself, my prices do not include the cost of challenges. If this interests you hit my DM or you can contact me on telegram: @JxckkEA

As im fairly new to HF, if you're a well known member of the community and this is something that you would like to check out, i will pass an account for you free of charge so that you can vouch for the service.

EDIT:

Below are some screenshots of a 25k, 50k and 100k passed today.

I have experience with forex and would be interested in this service. Can you do MFF? If so what is

your pricing and are you willing to use a middleman?

Cheers!

Not trynna bash but are you using those prop firms specifically because you're using a HFT EA?

Those prop firms are not that reputable and I've heard sketchy stuff from various sources about their payout processes.

Pentatonix - June 26, 2023, 9:45 pm

I'm interested in getting some more information regarding this, potentially a vouch copy. Shoot me a message when you're available.

Hey man! No offence taken at all ofc! Yes it's using a HFT EA to pass the accounts, I'm personally funded with Nova and have had no problems with them so far and also know a lot of other people who are funded with them and have seen their payout certificates. As long as you don't break any of their rules you will receive your payout!

I'm currently testing another EA to pass other prop firms such as FTMO and MFF, so hopefully in a

month or so I'll be able to offer these firms as a guaranteed pass also! Enjoy your day homie ?

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
