Hey i have been searching all over and all ive found is either web hosting or overpriced vps hosting

I'm looking for a VPS preferably in Russia or Vietnam. between 5-10\$ a month.

i would really appreciate it if you guys could point me out a host.

babyvamp u are just a noob

Additionally, DMEHosting prohibits:

- IRC and associated programs (including psybnc, "bots", etc...)

- Scripts commonly used for abuse, attacks, or flooding

- Threatening, harrassing, or obscene content

- Any proxies which do not require authentication (including open mail proxies, unprotected anonymous web surfing proxies, etc...)

babyvamp666 ? - August 20, 2010, 11:35 am

*/ IRC Allowed

Proxy Allowed

Full Root Access */

i never said it was offshore idiot i said irc & proxy are allowed go read it yourself with your big boss name pig.
