Could you provide website and their whitepaper? Or is it a shitcoin?

Hello,

Thank you for your reply.

Can you tell me your reasons?

(Jun 22, 2023 04:05 AM)Dyne Wrote: [\[CITE\]](#) I invested during their BitRise inception.

It was trending piggybacking off of the shiba inu alt coin influx.

It died after that. I dumped my coins shortly after the peak.

Not investment advice but I wouldnt touch it. They've been promising utility for a long time, but the only thing I see are pseudo dreams that never come to light.

Hello,

Thank you so much for your reply.

Is you mean scam?
