"Why do fathers take an extra pair of socks when they go golfing?" "In case they get a hole in one!"

"Singing in the shower is fun until you get soap in your mouth. Then it's a soap opera."

"What do a tick and the Eiffel Tower have in common?" "They're both Paris sites."

"What do you call a fish wearing a bowtie?" "Sofishticated."

"What do you call a factory that makes okay products?" "A satisfactory."

"Dear Math, grow up and solve your own problems."

"What did the janitor say when he jumped out of the closet?" "Supplies!"

"Have you heard about the chocolate record player? It sounds pretty sweet."

"What did the ocean say to the beach?" "Nothing, it just waved."

"Why do seagulls fly over the ocean?" "Because if they flew over the bay, we'd call them bagels."
