Thread: [Profit -- Ever wanted to own a group?](#)

Neil - June 24, 2023, 9:23 am

Now that I own Profit,

I would like to do a little sub-lease of a group if anyone's interested.

\$600/year to gain leadership/access to kick/add/sell buy-ins/change the group user bar, change the group name, basically you get full control over the group / can do with it as you wish for the year (With an option to renew).

TOS include:

If you scam, you get kicked with no refunds (unless you're innocent)

If you wish to rebrand/change the group graphics, etc, that comes out of your pockets.

If you declare to sell buy-ins, 20% of the PROFITS go to me. I.E AFTER you make your \$600 back, 20% of all profits via group invites go to me until end of lease (This means if you sell a group invite for 100\$, you need to sell 6 in 1 year to make your money back)

Hopefully adding a price point allows people to be more willing/able to run a group to their full ability & help groups be active again

If this plan doesn't work out, Plan B it is (I still gotta think of plan B)

I really like this idea. I hope someone takes advantage of it and spreads the group around. It would be nice to see some impacts being made.

I was going to do this with a different group, it's never a bad idea.

who that

ALSO: I am offering short-term leases as well, it doesn't have to be 1 Year. If you ever wanted to know what it's like owning a group but don't want to pay thousands of dollars,

You can do short-term rentals too.

The only reason I require payment is that if you're willing to pay money to run a group, you're more likely to take it seriously.

Or else I'd do it for free if I thought someone is actually willing to run the group and make it the best it can be, but there are not many people who would.

People are running out of time to have a lounge group that saves the activity of this forum.

I can't guarantee what happens in a lounge group. The whole point is to have the lounge group do and say whatever they want in pure anarchy

It's the only way to run a proper lounge
