Thread: [I finally upgraded to ub3r, with 1000 bytes per person as a gift](#)

Lukasi - June 26, 2023, 1:36 am

I have finally upgraded to a UB3r member today. Thank you to the HF forum?.

I will send 1000 bytes to everyone who responds to this thread as a token of gratitude(Only for the top 50 people)?

I hope I can successfully send out 50000 bytes?

I hope HF is getting better and better, and I also hope all members of HF are happy every day?

I have been studying recently and sometimes I am not online. I will send bytes as soon as I go online?

Jxckk - June 26, 2023, 1:39 am

Congrats homie! ? 50k bytes is a hell of a lot lmao ?

DashPHP - June 26, 2023, 1:40 am

50,000 bytes!! That's an insane amount to give away.

Without further ado, I'll take my 1,000 BYTES! :))

On a serious topic: congratulations friend, Ub3r is a beast group.

Thank you for your reply. I was originally thinking of sending the top 100, but I was worried that not having so many people reply would be embarrassing?
