What its the strategy ,you need to invest to make 100\$ daily

ChronoBiff - June 30, 2023, 6:26 pm

It is embarrassing to say this, but I know for a fact that this is a scam. I know because this member did it to to me just a few days ago.....

When something is too good to be true, it usually is. Below is some additional evidence that this is clearly nothing more than an attempt to directly steal from other HF members. You have been warned.

Oh and in case you didn't know, this did at one point work perhaps (3 years ago), but even if it did it, the exploit could not have lasted very long until it was patched.
