Thread: [H] $150 PayPal // [W] $140 BTC

Sky - *June 28, 2023, 9:10 pm*

I have $150 PayPal, needing $140 BTC.

I will not go first under any conditions, I will send after confirmations.
If you do not agree to my terms, don't waste either of our time.
I expect quick and smooth transactions or none at all.

If you can do this contact me and we will get it set up.
