Love the site keep up the great work.

**?ch?m?ll??** - July 29, 2023, 8:07 am

does your service ignore DMCA?

**Johno** - July 31, 2023, 2:26 am

Sadly I cannot because the UK enforces it with the legal system.

Hello,

I have a site that I want to host anonymously without it being possible to suspend it. I specify it's a fake site of the chartered standard, not to spam but for customers of lotto and inheritance. If you can host this kind of site without worry then please let me know so that I can take a domain offer from you.

Looking forward to hearing from you
