This hand screwed me.

javierpena - July 7, 2023, 2:30 am

Many such cases. Did you doubled on the A7 or this was the original bet

Ouch this is unlucky but be sure to gamble responsibly.

VKNS - July 7, 2023, 4:54 am

Game is hella rigged.

Neil - July 7, 2023, 6:25 am

Online blackjack is always a scam

ChronoBiff - August 5, 2023, 4:28 pm

I remember when I first started playing blackjack on here. I was doing so well.... until I wasn't...

Don't expect to win at this game. It offers a 5:4 Blackjack payout and we don't know if it's played out of a shoe or a continuous shuffle machine. My guess is the latter, which further increases the house advantage.
