Thread: [Why are you not lounging in Eden?](#)

Lrrr - July 10, 2023, 10:36 am

This is a legitimate question. With HF standard lounge filled with introduction threads from multi, why aren't the rest of you lounging in Eden? We have by far the most active SF in this forum.

Users who post in lounge but not in Eden, why? What is it about our group you don't like?

If you like hanging out and chatting with people I don't understand why you wouldn't join Eden.

VKNS - July 10, 2023, 10:48 am

I do lounge in Eden.

I post pretty much whenever you guys give me the opportunity.

As you can see, our members are the first to post here in the lounge. Why are you not a part of Eden already?

BiNBo - July 10, 2023, 10:59 am

Groups closed, my ADHD kept me forgetting to ask to join, and in turn I'm stuck here in the multi-purgatory that has become the lounge :(

You should suggest a dedicated link to Eden on the main menu

Groups like Eden are basically like honeypots. Eventually, someone will post something stupid enough to get banned.
