Thread: [\[Journey\] Tiktok Adult CPA to 500\\$ Daily](#)

sweetangellis - July 10, 2023, 12:37 pm

Hello HF members,

this is my Journey to \$500 daily with TikTok Adult CPA.

I worked only with TikTok Stitch method from October 2022 to mid April 2023, but as far as I know it has been fixed.

I have now tried many different posting strategies on TikTok and have now come across a strategy that works even much better than the former TikTok Stitch method.

It is a little harder to go viral but the traffic is better and my CPM is sometimes between 30-50\$ (fluctuating).

I currently have a good viral account that has made all the revenue so far (yesterday, 35\$ see screenshot)

I only target the USA and no I don't have a USA SIM card, I just removed the SIM card and use a VPN, and changed the region and language of my iPhone.

And no I have never reset my phone yet, this is not necessary. I did overall with tiktok stitch Method 200 accounts and never had any problems with views.

The statistics of the account that made the 35\$ yesterday is also attached as a screenshot, the numbers are actually not special but the earnings for it relatively good, since it is only 1 account so far :D (Total earning with the Account only is 118\$ so far)

About my posting strategy:

I download tiktok videos via a telegram bot from tiktok directly and just cut the videos to 6-8 seconds depending on how long the original goes, and then I change something else on the video in the tiktok app which I don't want to say so far though and no it's not the greenscreen scan filter, you get very bad traffic with that :D

My goal:

500\$ daily with Tiktok Adult CPA

Other tasks:

Create 10-15 gmail accounts daily to use to create tiktok accounts via gmail registration. (This way there is no captcha and you can theoretically create infinite Tiktok accounts daily).

1st time post= 5 video posts for new accounts after 12-24 hours after registration (warm up)

2nd time post after 3-5 days after 1st post (only 4 videos at 2nd time post)

3. accounts that haven't reached 200-1000 followers after first post kick out of excel list, these accounts are useless and only waste time.

I will post you the next update to my Journey on 24.06.23 here under this thread.

If anyone has questions about tiktok feel free to ask them.

If you need help with figuring out the cloaking or CPA Network I use (no it's not LosPollos) send me a Private message. I can help you out there maybe. Dont want to make it Public for all tho.
