Paying with ETH (can swap to other crypto too).

Looking for:

Knives (Main fan of Bayonet, Karambit, Butterfly, Talon. Fan of following: Crimson Web, Fade, Marble Fade, Doppler, Case Hardened, Tiger Tooth)

Gloves

AK-47

M4a4

M4a1-S

AWP

No specific budget in total, not looking to spend more than ~\$2k on a single skin. A bit more flexible with knife prices (a bit above \$2k limit is ok)

Hey buddy, I'm actually looking to sell a FN Flip Knife Lore.

I'd love a quick sale.
