Thread: [og MW2 or new MW2 anyone?](#)

Sky - July 19, 2023, 8:20 pm

hmu if you want to play old-school modern warfare 2 or dmz on the new mw2.

N1ghtm4re - July 20, 2023, 12:06 pm

OG Mw2 just off the strength of players being able to quickscope you while you're barely peaking a corner

Does anyone know if the PC servers / game client for MW2 was fixed yet?

No idea, I'm on Xbox.

The PC servers work but there's an exploit in the game that lets someone run code on your PC just from you joining their lobby. Even if they're the host of a regular Team Deathmatch, if you randomly join them you can get instantly infected by a RAT.

I REALLY want to play MW2 but I can't until that's fixed.

Nope but I've considered buying an Xbox 360 just for this. Only issue is I used to see them for sale for \$20. But since this news I'm seeing them on sale for \$80 - \$100.

I'm playing on my series X.

Haven't had my og Xbox 360 in a long time. Bought a like-new Elite with a ton of games for dirt cheap recently though. It hasn't even been hooked up yet lol.

Are there active lobbies on the og MW2 right now man?

Like I'm talking 360 lobbies that you're playing in using the Xbox One.

Monday night would be even harder. It's my sons birthday and I go in at 7pm that night. I'd be off
Tuesday-Thursday. Otherwise youd have to catch me on at like 8am CST lol.

I just like the week off every month. And 4 weeks of vacation. So once every 3 months i get 2
weeks in a row off. In February I'll have 5 weeks of vacation available.

Oh fuck yes. I just might have to pop in my 360 MW2 disc and hop into a lobby. I haven't played an
active MW2 online match in years and I miss it so much.

Do ya'll play often??
