Thread: [hacking websites extracting databases](#)

dildo666 - July 26, 2023, 10:54 am

Hi, I need to extract data from several databases and websites relating to medical field in my country. Need ideally databases of doctor names with emails. Anyone that can help?

qzip - July 27, 2023, 9:17 am

PMing you now, let's talk

Maybe you might check this pastebin.

pastebin (.) com/u/RonyKingSourcing

You might find what you are looking for there.
