What country are you in its possible we have service with someone in your country.

Sentry Guard - July 26, 2023, 3:49 pm

Why should I use your service when the big brands are already offering unlimited at those price points?

Migos is the best in the game, you can rely on him! ? Jealous I can't get this service.

uhtred - July 27, 2023, 9:27 pm

I'm willing to take a vouch copy. I'll pm you to see if my location is supported.

Whimsy - July 28, 2023, 1:44 pm

Do you have anything in Germany, and that works worldwide?

FilmGuy - July 28, 2023, 2:31 pm

I'm in the US and would be willing to take a vouch copy to test this service. Tell me if I'm wrong but I currently have a Physical Sim in my 12 Pro Max I could add an ESIm on the same phone correct and still have access to my physical SIm?

Yes you can add a esim as long as your phone supports Dual Sim.

Vibe - July 28, 2023, 2:34 pm

How do you know if a phone would work with this?
I'm in USA

Okay send me a pm. With Imei and device model

FilmGuy - July 28, 2023, 3:21 pm

User gave me a vouch copy of one month, will report back.

No problem , Hopefully you report good things and dont wait a full 30 days. I mean if the service is active then i would say that should be a vouch of my product.

Driz - July 28, 2023, 4:51 pm

If you have a similar service for this in the UK, I would be very interested.

ryloetxx - July 28, 2023, 9:09 pm

I am on metro PCs and have a pixel 6a. It supports esim but if it's locked will it work? Also what if I want to keep my number or move it to your service?

Pretty sure that answers that then . I dont think it would work and i dont think it would be worth attempting tbh.

goldwhite - July 29, 2023, 12:14 pm

is it available in Europe?
