Last Updated: 8/17/2023

Features:Using [BRAND NAME REMOVED]'s newest private API.

Supports both male and female accounts

Extremely low ban rate, all bans occurred due to account violations & not botting.

Automatically swipe based on Race

Automatically swipe based on Yearly Income

AI Generated Message Replies

AI Generated Bios

"Invisible Exploit"- An exploit I recently discovered that lets your profile stay invisible to everyone unless you like them, even without [BRAND NAME REMOVED] Gold.

Location Changer (even without [BRAND NAME REMOVED] Gold)

Profile Editor

Automatically Report Bots

Message multiple users at once

Full [BRAND NAME REMOVED] chat replication

Determine if users are real or not with a unique algorithm.

View your hidden profile details that [BRAND NAME REMOVED] doesn't want you to see.

Supports multiple accounts (new Window per account)

Dark mode (custom themes coming soon)

Requirements:
Windows 10+
OpenAI Api Key (costs less than \$2/mo)

Price: \$80 lifetime (the price will rise to \$120 after there are a few purchases)

PM me to purchase until autobuy is set up!

First copy I'll give \$10 off for. Get it while it's hot

Karshielle - August 29, 2023, 9:34 pm

I'll get this right now and try this out.
