Thread: [Get 12 Free Stocks \(est. Value ~\\$100\) Sell and Cashout](#)

Yoko_ - August 24, 2023, 9:07 am

I've been scraping by recently, like about to get my ass kicked out for not paying rent, so I just signed up

---> [Here](#) <--- a few days ago and have since received my 12 free stock shares. I personally received \$130 worth of shares so it was a nice little bonus. It can go up to a few thousand I think, though the chances are low for that. You also have to deposit \$100 of your own money, but that's a no brainier to just go collect some free money they withdraw everything.

Webull is more or less a Chinese run brokerage.

Yes it is webull lol but why not get free money when you can. And I would GREATLY appreciate if you made an account with the link in the OP. I hope that's allowed for me to say here?

You just need to fund your account with \$100 :)))

I have no idea what you mean man

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
