Thread: [Where are the europa/conference league qualification games in sportsbook?](#)

Fresku - August 24, 2023, 10:58 am

Hey all.

As some of you might know I'm a very addicted sportsbook engager (and pro flipper to btw).

A lot of european football matches are missing in the options, am I the only one that are missing those?

Please add more football matches!

as far as I know you cannot host, you can only participate.

thats why im calling for more diverse games.

Seems like a great suggestion, I've been looking for the suggestions page but couldn't find it..

Do you have a link?
