Thread: [Giving away 2 cool untaken discord usernames to everyone who replies.](#)

Aeon - August 26, 2023, 10:01 pm

Yes, I am giving away two free discord usernames that haven't been taken and you can claim for yourself, they are cool, maybe not worth more than \$10 but I have a ton and wanted to find a way to give something to everyone.

I spent hours getting these usernames while watching twitch streams and hitting generate on username generator sites, copy pasting the user to see if its taken, and aboom.

LOUD - August 28, 2023, 8:31 am

I would love to get a couple of these!

Aeon - August 28, 2023, 8:52 am

Everyone please give me up to a few days to send out the usernames because now I have to do a captcha every time to see if usernames are taken or not and its just making this a pain but ill bypass it when I am done with some other stuff.

Biggs - August 28, 2023, 9:20 am

I'll take a few if you don't mind, and I think this section would be better to post this in: [Free Services and Giveaways](#)
