This is very interesting and I would love to hear some of the reviews.

The value is in the leads and also something I cannot mention on HF

If there ever is a vouch for offer.. let me.

I'm considering anyway... recruitment, real estate.. the profit margins could be very impressive

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
