Thread: [How can I avoid Cashapp and paypal verification](#)

DarkKnightDumno - September 2, 2023, 9:26 am

After a few transactions on cashapp or paypal the app with lock me from accepting money from people and attempt to make me verify with a SSN or drivers license. Tbh im 17 so im underage, which it will then not allow me to accept money from people unless I have someone over 18 sponsor my account. Anyway around this?!

Whatever anyone says regarding this thread will be against the rules.

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.

So short answer is, first wait until you're 18 and open a proper CashApp and PayPal account in your own name.
