Thread: [BUSTADICE SCRIPT \[SAFEST\] \[MOST PROFITABLE\]](#)

cover7 - September 2, 2023, 7:20 pm

Hey everyone, I'm an avid gambler, one of my favorite websites to play on is bustadice. I'm sure you're familiar with the gambling platform, Myself and ruzli have developed a script that is very safe (of course there is no guaranteed win in gambling) but this one has proven to win more than lose in 1000 simulations.

Price of this script is 100\$

And I will offer 2 vouch copies to members that are willing to test it.

To use the script and have insane chances of winning you need to deposit at least 0.01 BTC (260\$)

FEEL FREE TO PM ME WITH ANY QUESTIONS OR IF YOU WANT TO BUY THE SCRIPT.
