Thread: [\(\\$8\) USA based lifetime edu emails \(can do bulk\)](#)

whitepearl - September 3, 2023, 4:27 am

Price is \$8.

Buy more than one, it becomes \$7 each.

Payment methods: bytes (2.5k/\$), known cryptos(xmr, eth, btc...) and pre-paid cards.
Transaction fees are paid by the buyer.

It might take me 72 hours at most to deliver the product.
Price is negotiable for bulk purchases.

Yeah. It works with any .edu service.

smartdisk - September 13, 2023, 7:10 am

Does it work unlimited gdrive ?

whitepearl - September 14, 2023, 10:19 am

It works with any service requiring an .edu address.

FriendxDDD - March 26, 2024, 2:11 am

I heard that jetbrains can cancel subscriptions, is there a guarantee and is there for how long?
