Thread: [Free Youtube Thumbnails \(custom orders\)](#)

Don Cezar - September 4, 2023, 8:05 am

I'm offering free vouches to kickstart my thumbnail design service. Visit the thread below and send me a message, either here or on the socials mentioned.

Posting for later I might need this. What is the requirement to add custom thumbnails btw?

Can you work a thumbnail for me? If you do a good job, I will need 3-5 thumbnails weekly.

Please send me a message if you are interested.

I'm not sure what you mean. Youtube's requirement to add custom thumbnails to videos? The channel has to be verified.
