This is a signals group, not a place to learn the basics. In order to use these resources in good use, first please make sure you possess the basic/future trading skills.

Use these resources in good use, do your own research (ALWAYS!).

This is a resource hub.

Quote:The information provided on this Server does not constitute investment advice, financial advice, trading advice, or any other sort of advice and you should not treat any of the content as such.

Do conduct your own due diligence and do your own research also you can consult your financial advisor before making any investment decisions.

This is not a basic/learning school. These are calls from different signals groups across the globe and shared under one roof for your to take advantage of.
