Thread: [100 - 200 Bytes for a 5 Star Google Review](#)

Cryptic™ - September 10, 2023, 6:41 pm

I need Google Reviews for a business based in CANADA.

I will give you 100 Bytes if you leave a Google Review

I will give you 200 Bytes if you are a "Local Guide" on Google Reviews

I will even tell you what to write. You just copy and paste it.

Example:

You can go to this link to check if you are a Local Guide, or check your existing reviews and see if it says "Local Guide" under your name. <https://www.google.com/localguides/signup>

Rules:

You must post the review from a real account

You must have posted other reviews in the past.

If you are interested, PM me or start a Convo and I will send you the link and details.
