Hello sir or miss. Can you please pm me. I would like to know more about the method before buying it. I'm also broke, so spending my money on something that isn't generating Cash wouldn't be ideal.

It's a shame that so many thread like this stay love to be fair.

I mean it might just be a coincidence that the only people who purchased it are new accounts.
However coincidence is a rare thing.

GLWS I guess? ?
