I have been watching some interesting videos on YouTube, I was thinking the admin of this forum is Phil Zimmerman the creator of the PGP "Pretty Good Privacy" movement. What do you guys think about my research??

(Sep 16, 2023 01:43 PM)Lazer Wrote: [\[CITE\]](#) Those research skills definitely qualify you to vote Democrat.

It makes sense though, another forums launches and was immediately shut down after the middle man mod was using his alt id from another forums with socials etc.

[Omniscient](#) It's an honor to meet you Phil, the inventor of PGP

Spoiler ([Click to View](#))@OP Everyone knows Omni, and his name sure as hell isn't Phil lol

Pretty terrible research skills.

Aqzxk - September 16, 2023, 3:03 pm

You read into this one too much pal lol

EscapeMatrix - September 16, 2023, 4:39 pm

This guy got some mad skills, you should have used forum search button at least

Key - September 16, 2023, 6:34 pm

Damn, you even told us what PGP means to us, just that explains how incredible you are at doing research.

Thanks for the research now I can sleep 2x better, you saved my life and my night.
