Thread: [Ai model method scam or real??](#)

Erode - September 30, 2023, 6:01 am

So I'm on this telegram and they claim to have a bot or some sort that can generate ai models and use them to make money they are selling it for £70 at the moment, I would like to know if anyone has heard of this before and is it a scam?

There are all kinds of image generation AI models out there now. Whether a random person on the internet has a good one is impossible to say.
