Thread: [Who is the nicest member on the forum?](#)

Sky - October 2, 2023, 8:26 am

I'd give it to [skull](#) , always been very polite and helpful. Very genuine and giving soul.

Eran - October 2, 2023, 8:27 am

[Charlie Sheen](#) all day everyday

DemonAsylum - October 2, 2023, 8:31 am

There are a few names that come to mind, but I'd probably have to give it to [Yanix](#)

It's not just the fact of how nice and respectful he is, but also that he's like that to everyone and while being incredibly actively on here seeing as he posts a ton haha.

Surely I'm not the only one who has his name come to mind at least.

Yanix is a good one.

I'd also say [Cap](#) is another one.

I have a lots of people in mind when it comes to this.

But yeah [Krave funtela Durham](#) is definitely close to my heart (I have a lots of more people but can't figure them out right now lmao)

I'd agree with both of your picks too. Skull and Cap are absolutely up there. Have had multiple pleasant convos with both of them before and just generally nothing but positive interactions with them. Haven't ever seen the opposite between them and another person either.

I was going to say [Yanix](#) as well....you beat me to it.

I am relatively new on the forum and haven't actually had a conversation with him but I like his positive attitude that comes through his posts.

Yeah see that's a part of it too. So many new members he is welcoming and being super kind and or helpful to. I know for a fact that many would point out feeling exactly how you just described towards him. It's incredible to have any number of people like on on this forum and treating new members the way he does. He's a huge W for HF as a whole.

but yeah I see you online quite frequently.

Realizm - January 5, 2024, 6:33 pm

The nicest person is clearly Hydra. Dedicated years to Red Lions community outreach, upped his game to be a Titans leader, and then tripled down and ran Writ3rs. People look at 1 edition and

think they could do it but running Writ3rs was probably the hardest thing to do and without compensation for years. A good person helps, a great person dedicates years.

RIP to the OG Red Lions, Titans, Writ3rs and Hydra's activity.

I meant to QL [Lilith](#) very funny post above this, but QLd this uncreative nonsensical drivel instead.

I then ran out of bytes.

I hope you can find it in your heart to forgive me, Lilith. I just don't know if I can ever forgive myself.

INviZ, Paradoxum (from back in the day), Tibit, xerotic, The Rated R Superstar.

These guys raised me on here ?

There are of course many other names, but these came to mind when I read the thread title.

Came across few profiles that are helpful to others but no one in particular

???? - February 14, 2024, 8:49 pm

It's hard to size people up in the forums. I profiled good people and when I pm'd them they act like highschool jocks or trying to join another ethnicity group in prison.

I remember Shatter was nice. Kind of rough but at the same time having this sensitive side.
