Thread: [Crypter service 10 free privat Crypts bypass Windows Defender](#)

hugokopf - October 7, 2023, 1:07 pm

Hello, I am planning to offer a Crypter service in the near future and would like to do a test run. I am offering 10 private crypts that will be bypass Windows Defender and hidden Start-up. Please leave a comment, like the post and send me a direct message with information about what payload it is and how you would like to Spread it.
