Thread: [Newbie, But I was a member long long time ago](#)

1Krypto1 - October 8, 2023, 8:14 am

I was a member of HF a long time ago but left the scene.

The knowledge I gained here allowed me to be highly successful in my career, and in life.

I am glad to be back and I have alot to catch up on since this site has changed dramatically.

It's always great seeing old members making a comeback. This place is like a revolving door of talent. Glad to hear you've done well for yourself. Dive back in and soak up the new stuff.

Looks like you're right- there's a couple posts of yours from the 2012 era hanging around still ([like this](#)). Not surprising, your account was caught in a purge at some point.

Welcome back though.

Welcome back. Always nice to see people back into the game.

I myself was from 2008, and also had some time away before I came back as "skull".
