No need to join Marketers. The owner says he doesn't accept scammers with open disputes yet he has at least one member with 5+ disputes. Joke owner

Depends on the years of HF, I still think the 2011/14 held the best UB's.
I like them simple and clean tbh still to this day.

I don't LOVE any of the current userbars, but I loved the Legion and old Illuminati one. Fly by Night was also an amazing userbar, but maybe I'm just nostalgic lol

Thank you sir, me and THL worked very hard with with our graphic guy Panda at the time. Only detail that's changed was the red to orange. Panda was getting pissed because we worked hard for weeks with him.
