Thread: [icloud / iphone hacking](#)

jhonny9546 - October 12, 2023, 12:18 pm

hi there!

are there ways to hack icloud and iphone in order to dump, or get data from it, such as safari history search, photos etc?

Eldamjani - October 13, 2023, 1:15 pm

Thanks for sharing dude

Casey666 - November 16, 2023, 2:59 am

Yes and no.Depends on the firmware

Without jailbreaking? You pretty much need to find out the passcode and steal the phone. Elcomsoft iOS Forensic Toolkit is a good program for extracting iPhone data, and the price is reasonable for the kind of exploits built into it.

yeah just ask NSO for their tool

Casey666 - January 17, 2024, 7:20 pm

Nso?Hahaha,na for real wanna see proof.Dm me or just call 8596997103 if you think I might be just some b*lls**tter I can plan a live demo if anyones needing proof of my skillz
