Thread: [Official Gamblers buyin - 500 bytes coinflip](#)

Lavish Living - October 12, 2023, 1:50 pm

Very simple.

Convo any leader, donate 500 bytes to them, then go to the main HF Convo. Type either 1 or 2, and then the leader will type "/roll 1:2", if it rolls the number you said then you will be added to the group.

If it is not the number you said then you get nothing. No refunds will be given. Ever.

All members will be removed every 3 months. Starting in 2024. April 1st, July 1st, Oct 1st, and Jan 1st will be purge days. No one except leaders will remain after those days but you are welcome to rejoin using the 500 byte coin flip entry.

Zero - October 12, 2023, 1:54 pm

So we can choose the leader we want to give the 500 bytes to. Sounds fun!

Honestly a pretty cool and smart idea.

Blends into the Gambler theme perfect, I'm a huge fan.

Dorrance - October 12, 2023, 2:29 pm

When the next poker tournament tho.

Pentatonix - October 12, 2023, 6:27 pm

So what if I give you 1k bytes and bet on both? Instant buy in?

Biggs - October 12, 2023, 6:30 pm

Seems like a cool idea, I might try this when I have sufficient Bytes again.

StuffSneak - October 12, 2023, 7:47 pm

(Oct 12, 2023 05:13 PM)Dyne Wrote: [\[CITE\]](#) Yeah deadass surprised but very cool.

Should make it 1k bytes for sure.

I agree but its fine for now. Maybe once we have a few gamblers.

500 Bytes is like a dollar worth. For 3 months of a custom group, it is nothing!

Let's get this going!

Count for me too? ? Just have to check here, Lavish. I'm looking at that thing you did the other day

Edit: Nice idea for the group entry though. Not sure I'm spending my bytes there.

Gary Clark Jr. - October 14, 2023, 1:48 pm

I can vouch that this is a legitimate way of getting in this group. We out here.

??CU?I?? TM - October 15, 2023, 1:30 am

I want to go for it. Who can help me with this?

Lavish Living - October 16, 2023, 8:41 am

Join the party. Many people have won their flips I only had 2 people lose.

Scrub is one of them. (Thank goodness)

Zexo - October 16, 2023, 5:57 pm

Join so we can recoup our funds after lavish gambled them away.

StuffSneak - October 16, 2023, 11:49 pm

Can't believe many people are not taking up on this. Have had few members but expecting a lot more of you.

Lavish Living - October 18, 2023, 1:41 am

Might increase the cost in a month. Or closer to 2024.

Get in now at the cheapest bytes price.

iNviZ - October 18, 2023, 6:59 am

Typical pink unicorns still exist. I'll tattoo what you choose for 50k bytes but has to be something decent ?

Don't sit on this opportunity. This is probably the sweetest deal you are going to get. Almost all of the applicants got in with 1/2 chances. That's around 2\$ price to be in a group with cool username color, animated stars and what not.

Hit any of us via convo & let's get it done!

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,

Stanley
