Thread: [How to get a job in white hat hacking.](#)

GelatoSK - *October 13, 2023, 8:52 pm*

Go online and search white hat hacking jobs near you and find the edu req and once you get those do them and get the job and live it up

SIM-5432905 - *October 13, 2023, 9:31 pm*

Are you a white hat hacker yourself?

Bastille - *October 14, 2023, 1:03 am*

It has been simplified a lot but I know what you mean there ^^

Are you interested by cyber security ? Are you studying ? Are you working ?

Local Celeb - *October 14, 2023, 2:56 am*

I just wrote a small hacking tutorial on using your skills to make money- You're not wrong, but, you could really just end up a consultant at a software firm ?
